The author – Judy Campbell-Smith

Judy was born in New York City but raised in the suburbs of Chicago. The daughter of a pastor, Judy was a good student and avid reader growing up. Her favorite books from her childhood were Peter Pan and Little Women. In high school Judy became interested in movies, animation and art which led her to attend Biola University, near Los Angeles, where she studied film. Inspired by The Lord of the Rings Trilogy and a desire to travel, Judy attended the University of Auckland in New Zealand where she received her MA in film, TV and media studies. In 2020, Judy decided to pursue her dream and wrote her first children's book, inspired by walks in her neighborhood with her son.
